Student Success

What a great time of year! It has been so very awesome watching all of our Aboriginal grade 7 and 12 students graduate this year!

Big Shout Outs to the Ravens Homework Club Students and students in the Pathways Outreach Education Program:

Sheldon Hamilton who received a \$2500 Scholarship! John Grann who is off to MTI, and Keanna Brown, Flora Jo Zenthofer, Joan Kershaw and Sonia Vazquez - Kelly who are all off to grade 8!

And Congratulations to all of the other students who are working their ways towards graduating in the next few years!
